Hi Valois,

Attached are the public comments that relate to the Crow Butte mine to share with Region 7.

Based on word searches of the files you sent for "Crow Butte," "CAMECO," and "Nebraska," we only found one new comment (8196) from **Ex. 6 Personal Privacy (PP)** of Oglala Sioux Tribe; it does not raise any new issues beyond what was stated in 2017 comments.

I also found a few references to the Crow Butte site, e.g., in attachments to the letters and incidental mentions at the hearing, but nothing that said anything new (e.g., another listing of the 85 violations at the site).
